

GLACIER I.C.E., Inc.

The following reviews the bios and resumes of Glacier's essential creative and technical team members.

Glacier I.C.E., Inc. principals **Anita Hartshorn** and **Frank Sweiding** are two of the most widely admired and respected ice skaters and ice event producers in the world. Their bold, avant-garde adagio routines have become legendary in the business, and their shows reflect that same commitment to leaving audiences delighted, awe-struck, and clamoring for more.

Frank Sweiding – Director/CEO – World professional pair champion and president of Glacier. With a degree from Northeastern Illinois University, and a world championship title Mr. Sweiding first went to work for Ice Capades as a featured performer ultimately rising to the position of treasurer of Ice Capades. After leaving Ice Capades he accepted a position with Renaissance Entertainment to oversee the foreign operations of their shows. In 1993 Glacier was formed as a sister company to Renaissance Entertainment with Mr. Sweiding's position being president and overseeing production. Mr. Sweiding's list of accomplishments include involvement in the creating, producing and managing for over 60 shows for various theme parks, theaters, arenas, and special events world - wide.

Anita Hartshorn, - Production/Creative/Casting, - As world professional pair champion and seasoned veteran of many ice shows, competitions, and TV specials, Ms. Hartshorn is a noted expert on who is, or soon will be among the industry's most qualified performers. She literally knows the talent pool of the world of professional skating better than anyone. Her years of dance training and show experience have proven indispensable in helping her create original choreography that is highly acclaimed in the skating world. Ms. Hartshorn's list of accomplishments include overseeing the

casting and artistic direction for numerous theme park shows, theater shows, live performance extravaganzas, multi-media tours and televised skating shows.

Ice Rink Events – Ice Surface & Services - One of the leading, and most experienced, suppliers of portable ice skating rink systems in the world. Hundreds and hundreds of successful installations world-wide. With over 35 years of experience Ice Rink Events brings the most effective, environmentally friendly system and ice surfaces possible to you, the performers, and the audience.

Simone Grigorescu – Choreography/concept – World Professional Ladies Champion – Has choreographed numerous productions for Glacier including Sea World, Busch Gardens, Phantasiland, Friedrichstadtpalast, Sun Valley Ice shows. She has also worked on productions for Holiday On Ice, Disney On Ice, plus numerous other ice production companies in her 20 years of experience as a choreographer.

Stephen DeWoody – Props, Lighting, Special F/X Consultant - A graduate of Rollins College in Orlando, FL Mr. DeWoody has worked in theme parks for over 30 years co-producing ice, water-ski, high dive, animal and acrobatic shows. Stephen's natural drawing ability and knowledge of theme park shows including his 8 years of experience as co producer of "World Rhythms On Ice" (a Cirque like Ice show) make him an excellent choice for this show.

Dr. Max Liu - Ph.D. Electrical and Computer Engineering Power/Energy Dr. Lui has worked with Glacier Ice on numerous projects as well as have worked with Disney On Ice, Magic On Ice, and Hard Rock Park. Dr. Lui has office in both the US and Taiwan.

Zabato Bebe Choreography/Creative – Mr. Bebe is an award winning ice skater from Vienna. Winner of the 2014 Artist's Show Case Choreography Challenge and the on staff choreographer for Glacier. He is the choreographer for "Relight My Fire/Let's get Loud" (currently running at Phantasialand Park)

Salvatore P. Agostino – Music Director/Editor/Audio

Engineer/Media Studio Supervisor – 28 years of experience with Music & sound editing for Theme Parks and Cruise lines. Supervise Crew Operations, Audio, Video, Lighting, Stage Crew and Park Audio/ Video departments. ProTools Certified to Produce, Record, Edit, and Master music, voice over, and sound effects for park shows, exhibits, video productions, and special events. Program, and provide content for show control systems. Program, research, and provide content for park music systems.

Sebastián Pecznik- Music composer/ award winning guitarist. Sebastian performed with Olympic Gold Medalist Brian Botiano this past year, thus he has an intimate understanding of ice skating. His work as a composer include award winning film and documentaries.

Randy Coyne – Management (Europe) – 21 years with Glacier I.C.E, inc. Randy has done it all in his decades on the ice, he has been a star adagio skater for Holiday On Ice, Ice Capades, TV specials, numerous theme parks and theaters around the World. Randy is also a master blade sharpener plus has experience installing and tearing down ice surfaces as well a maintaining ice surfaces.

The Glacier Ice team has an active performing schedule and has had numerous productions all over the world. Years in North America, Europe and the Far East give Glacier Ice the latest personnel connections with entertainment talent around the World.

Our personal competitive and professional careers give us an edge over all other companies. We know the talent personally and are in unique position to choose the best available talent for making a cohesive cast that is able to put on a great show day after day. We have learned that personally knowing the people we hire makes for much stronger shows.

Over the years Frank and Anita have traveled, worked with and the top talent available in the world of ice skating and the performing arts.
